

## APARTMENTS

R. E. CORNER 11TH AND WALNUT STS.  
This massive concrete and steel structure reaches the highest point of development as yet attained in apartment construction. It is a modern style of architecture of steel.

An earnest effort has been made to offer a maximum of space to those whose desire is not to count the cost alone, but to ensure that nothing will be lacking in the way of equipment, the size and shape of which may be selected and shaped according to the distinctive requirements of the individual.

Rooms are arranged from two rooms and bath up to six, excellent being convenient to the business and shopping centers and yet not too near. All units considered, the rentals are moderate.

Further information, arrangements for inspection and reservations may be made through:
